

Patient Communication Authorization of Disclosure

In general, the HIPAA Privacy Rule gives individuals the right to request a restriction on uses and disclosures of their protected health information (PHI). The individual is also provided the right to request confidential communications of PHI be made by alternative means, such as sending correspondence to the individual's office instead of the individual's home. The patient may revoke or change this authorization at any time with a written request.

I wish to be contacted in the following manner (Check all that apply):

Text/SMS:

O.K. to text appointment reminders to your cell phone
